ABOUT THE INSTITUTE:

Navodaya Institute of Technology (NIT), Raichur, established in 2008, is affiliated to Visveswaraya Technological University (VTU), Belagavi and is approved by All India Council for Technical Education (AICTE), New Delhi. The guiding spirit and the driving force for all the progress and achievements of the institution is our most respected Chairman Sri. S. R. Reddy of Navodaya Education Trust®, Raichur. NIT focuses on promoting quality technical education in North Karnataka region in general and Hyderabad Karnataka Region in particular.

ABOUT THE DEPARTMENT:

The department of Mechanical Engineering is established in the year 2010 and started its humble share & contribution of the Mechanical Engineering graduates for national needs. The department offers BE program in Mechanical engineering with annual intake 60 and subsequently introduced M.Tech. (Thermal power Engineering) program in 2014. The Department has excellent lab facilities with state of the art equipment and has exclusive Computer Centers equipped with 30 Core-i3 systems, one NT server including number of Mechanical engineering related software packages. The department is enriched with highly qualified, experienced and committed faculty members and faculty are from reputed institutes like IITs, NITs and other prestigious universities. The Department gives importance not only to academic education but also ethical values and personality development of students by practicing a close mentoring system on regular basis. The department strives hard to impart quality education and to keep its students on the competitive edge of the present-day technology and reaching towards University ranks also, the department is actively involved in placement of the students through ON/OFF Campus Interviews.

ABOUT e-FDP:

This online FDP will be extremely beneficial to faculty members from various institutions, research scholars and industrialists those who aspire to update the knowledge in the recent development in the various field of Mechanical Engineering

Outcome of the event:

Online Faculty Development Program for Faculty members, Research scholars have proved to be successful for improving knowledge and skills to enriched their understanding of the subject and apply to recent technologies in the field.
