MALLAREDDY ENGINEERING COLLEGE (AUTONOMOUS)

Maisammaguda, Gundlapochampally, Madchal, Hyderabad-500100

The Navodaya Institute of Technology and MallaReddy Engineering College seek to enhance relations between the two Institutions by developing possibilities for academic and cultural interchanges in teaching, research and quality initiatives, collaborative quality activities. Within the framework of the regulations applying in each university, and subject to the availability of resources, the following programs and activities will be encouraged:

- Academic and Administrative Audit
- Exchange of Idea related to Green Initiatives
- Examination Reformation System
- Skill Development activities

The specific areas and details of cooperation within the framework of this Memorandum of Understanding (MOU) shall be discussed and agreed upon in writing by the appropriate authority of each university, prior to the initiation of any particular program or activity. No binding agreement between the universities shall exist unless and until such a formal written agreement is executed.

The Institutes acknowledge that in the absence of any specific agreement to the contrary, all expenses of salary, travel, living and allied costs will be determined at the discretion and be the responsibility of the visitor's home Institute.

This MOU is a statement of intention between the Institutions in relation to the areas of cooperation set out above. With the exception of the confidentiality obligations set out below, the Institutes do not intend for this to be legally binding.

Whilst this MOU creates no binding obligations on the universities, the MOU shall become effective from the date of the last signature and remain in force for a period of three (3) years with the understanding that it may be terminated by either Institute at any time by written notice to the other university (but the confidentiality obligations shall remain). Withdrawal from this MOU shall not affect any formal binding agreements already in place between the universities in relation to a specific program or activity.

The universities shall ensure that they keep all discussions and all information received by the other university in relation to this MOU or a proposed program or activity confidential, and not disclose the content of the discussions, or any proposed program or activity, to any third party.
