**MEMORANDUM OF UNDERSTANDING  
ON EXCHANGE OF INFORMATION & TECHNOLOGY  
BETWEEN  
CASHUTECH SHAKTHINAGAR, RAICHUR  
&  
DEPARTMENT OF CIVIL ENGINEERING  
NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR**

Cashutech Shakthinagar, Raichur and Department of Civil Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. Cashutech Shakthinagar, Raichur and Department of Civil Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka agreed to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/ conferences/ guest lectures/Internships/Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of five years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

Zain Constructions, Raichur and Department of Civil Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. Zain Constructions, Raichur and Department of Civil Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka agreed to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/ conferences/ guest lectures/Internships/Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

**MEMORANDUM OF UNDERSTANDING  
 ON EXCHANGE OF INFORMATION & TECHNOLOGY  
 BETWEEN  
 DEPARTMENT OF CIVIL ENGINEERING  
 NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR  
 &  
 KISHAN CONSULTANCY, RAICHUR**

**Statutory Alert:**

1. The authenticity of this Stamp Certificate should be verified at "www.shifetstamp.com". Any discrepancy in the details on this Certificate and all available on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

Department of Civil Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka and Kishan Consultancy, Raichur agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. The Department of Civil Engineering, Navodaya Institute of Technology, Raichur and Kishan Consultancy, Raichur agreed to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/ conferences/ guest lectures/Internships/Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered in to on this 10<sup>th</sup> DAY OF FEBRUARY Two Thousand and twenty (10/02/2020), by and between

**Principal, Navodaya institute of Technology, Raichur** (herein after referred as 'First Party'),

AND

**Cad Vision Research and Development Pvt. Ltd., Vijayanagar, Bangalore** (herein after referred to as "Second Party",

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

### WHEREAS:

- A) First Party is a Higher Educational Institution named: Navodaya institute of Technology, Raichur
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and service to the society.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Cad Vision Research and Development Pvt. Ltd., Vijayanagar, Bangalore**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of **engineering**.
- F) **Cad Vision Research and Development Pvt. Ltd., Vijayanagar, Bangalore**, the Second Party is promoted by Mallikarjun V.K.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH  
IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

## **Cadvision Research and Development**

#18,22nd Main Subbanna garden road,Vijaynagr Bangalore-560040  
Contact Number: 9591687143/9739057660 -

[www.cadvisionrnd.com](http://www.cadvisionrnd.com),email:info@cadvisionrnd.com

## CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

**2.2 Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**2.3 Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Civil Engineering.

**2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

**2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

**2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

**2.8 Placement of Trained Students:** Second Party shall actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and shall facilitate placements for the students.

**2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

**2.10** There is no financial commitment on the part of the **NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

**3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

**4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Cad Vision Research and Development Pvt Ltd., Vijayanagar, Bangalore**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner or Cad Vision Research and Development Pvt Ltd., Vijayanagar, Bangalore**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

**4.2** Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Raichur**.

FACILITIES AGREEMENT

THIS FACILITIES AGREEMENT ("this Agreement") is made effective as of the Effective Date (specified in Schedule 1) by and between Tata Consultancy Services Limited, a company incorporated under the Companies Act 1956, with its corporate office located at TCS House, Raveline Street, 21 D. S. Marg, Fort, Mumbai 400001, hereinafter referred as 'TCS' (which expression shall include its successors and assigns) and the Party specified in the Schedule 1 to this Agreement hereinafter referred as a 'LISP' (which expressions shall, unless the context requires otherwise, include its successors and permitted assigns) for end to end infrastructural support for work as defined in the Scope of Services below. In this Agreement, TCS and LISP are collectively referred as "Parties" and individually as a "Party".

**WHEREAS:**

- a) TCS has certain shared software applications ("TCS Application System") which will be accessed/used by its customers ("Services");
- b) TCS needs certain infrastructure and facilities for delivering the Services to its Customer(s) effectively and LISP agreed to provide such infrastructure and Facilities ("Facilities");

**NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:****1. Definitions:-**

"Authorized Personnel" means only those individuals (working for and on behalf of TCS), who have a bona fide need to have access to Facilities in connection with the use of Services by Customer under this Agreement.

"Confidential Information" shall mean and include all business strategies, plans and procedures, proprietary information, software program, documentation, tools, processes, methodologies, data and trade secrets, information relating to customers, employees, or business partners, and any other confidential or proprietary information and materials of the Disclosing Party, its affiliates, clients or suppliers that may be received or obtained by the Receiving Party as a result of this Agreement.

"Customer" shall mean the customer or customers of TCS to whom TCS is required to render Services from or using the Facilities.

"Facilities" shall mean the facilities as set out in Clause 1 on Schedule 2

"LISP" shall mean Local Infrastructure Service Provider

"Location" shall mean the locations or places of the LISP as specified in Schedule 1 where the Facilities shall be made available to TCS.

"LISP Hardware" shall mean the hardware listed in Clause 2 in Schedule 2 and made available by the LISP to TCS for use during the Usage Period communicated by TCS.

"Term" shall mean the term as set out in the Schedule 1.

"Usage Period" - For LISP Hardware, it is the period when TCS shall utilize the Facilities for its business requirement which shall be notified under the relevant Work Order by TCS to the LISP. In case of a change in the Usage Period, such revised Usage Period shall be notified by TCS from time to time through a written notice to the LISP.

**Scope of Service:-** TCS requires an end to end infrastructural support to use the Facilities as set out in Clause 1 of Schedule 2 during the Usage Period for the Term of this Agreement. This Agreement is to ensure outsourcing of the work for conduct of the exam however the consideration for the same is being determined on usage basis of the facilities used as per Clause 3 in Schedule 2. From time to time TCS shall notify the LISP of its requirement to use the Facilities prior to the commencement of the Usage Period. This will be done by TCS by issuing specific Work Orders. Facilities shall be made available for exclusive use of TCS during the Usage Period as communicated by TCS. TCS has the right to postpone the Usage Period which shall be notified to the LISP as stated in this Agreement. LISP understands and agrees that time is of the essence of this Agreement and in the event of non-availability of the Facilities during Usage Period, TCS and its Customers would incur irreparable loss and damage both financial and reputational. LISP acknowledges that LISP shall make good such loss suffered by TCS and its Customers.

**2. Term and Renewal:-** This Agreement is effective during the Term as set out in Schedule 1 unless terminated earlier in accordance with the provisions of this Agreement.

**3. Obligations of the LISP:-** LISP shall make available the Facilities in working condition to TCS for the Usage Period throughout the Term. LISP shall allow free access to the Locations and the Facilities to TCS and its Customers and shall assist and co-operate with TCS to enable TCS to render Services to its Customers. LISP shall also ensure that Location is free of disturbance while TCS is using the same. In the event, the LISP has agreed to provide personnel as part of Facilities; the LISP shall ensure that such personnel have necessary expertise as required by TCS. LISP shall ensure that the power supply and its back up in form of diesel generator is available and is in working condition along with availability of fuel, back up electrical cables, electrician, as stated in Schedule 2 of this Agreement. LISP shall ensure that all nodes are networked and network connectivity is available at all times as mentioned in Schedule 3. LISP shall, at all times, comply with all applicable Facilities and/or Location related statutory laws, rules, regulations or policies including confidentiality and other obligations under this Agreement. LISP shall also procure and maintain all required approvals, permission, and consent throughout the term of this Agreement. LISP shall also obtain written consent from TCS before undertaking any maintenance activity with respect to Facilities which may jeopardize the timelines as stated in the Work Order issued by TCS to the LISP. LISP shall also on regular intervals and/or when required by TCS or by applicable statutory authorities provide proof for compliance with all applicable laws, regulations or policies and any such approvals, permission, consents. LISP shall maintain the Facilities for exclusive use by TCS during the Usage Period.

**4. Fees:-** TCS shall pay Fees to LISP as per Clause 3 in Schedule 2 after deduction of applicable tax at source (TDS) and provide LISP certificate in prescribed format for such deduction. All Fees payable under this Agreement shall be exclusive of applicable indirect taxes.

**5. Representation and Warranties:-** Each Party represents, warrants and covenants to the other that: (i) it is duly organized and validly existing and in good standing under the laws of the country and shall comply with all applicable Laws; (ii) it has the full right and authority to enter into this Agreement and to perform all the obligations (including providing Facilities) under this Agreement and that this Agreement constitutes a legal, valid and binding obligation; and (iii) its execution, delivery and performance of this Agreement does not and will not conflict with, or constitute a breach or default under, its charter of organization or any contract or other instrument to which it is a party. Further, LISP warrants that all the Facilities provided as per Schedule 2 are in working conditions throughout the Term and in the event they are not in working conditions, LISP shall get it repaired at its own cost. LISP warrants that it has paid all applicable fees, charges, taxes etc. with respect to Facilities provided to TCS and shall be liable to pay any such applicable fees, charges, taxes etc. during the term of this Agreement. LISP shall indemnify, defend and hold harmless TCS and the Customer from and against any and all liabilities, damages, claims, fines, penalties, and expenses of whatever nature arising or resulting from breach of the aforesaid warranties or from the violation of any laws, rules, regulations or statutory requirements.

**6. Limitation of Liability:-** TCS shall not be liable to the LISP for any special, indirect, incidental, consequential (including loss of

revenue and/or profit), exemplary or punitive damages, whether in contract, tort or other theories of law, even if TCS has been advised of the possibility of such damages. The total cumulative liability of TCS under this Agreement shall not exceed in aggregate the amount paid by TCS to the LISP under this Agreement.

**7. Confidential Information:** - Each Party receiving the Confidential Information (the "Receiving Party") acknowledges and agrees to maintain the confidentiality of Confidential Information provided by the other Party (the "Disclosing Party") hereunder. The Receiving Party shall not disclose or disseminate the Disclosing Party's Confidential Information to any person other than those employees, agents, contractors, subcontractors and licensees of the Receiving Party, or its affiliates, who have a need to know it in order to assist the Receiving Party in performing its obligations, or to permit the Receiving Party to exercise its rights under this Agreement. The provisions of this Clause with respect to Confidential Information shall not apply to the extent, that such Confidential Information is: (a) already known to the Receiving Party free of any restriction at the time it is obtained from the Disclosing Party, (b) subsequently learned from an independent third party free of any restriction and without breach of this provision; (c) is or becomes publicly available through no wrongful act of the Receiving Party or any third party; (d) is independently developed by the Receiving Party without reference to or use of any Confidential Information of the Disclosing Party; or (e) is required to be disclosed pursuant to an applicable law, rule, regulation, government requirement or court order, or the rules of any stock exchange. Upon the Disclosing Party's written request at any time, or following the completion or termination of this Agreement, the Receiving Party shall promptly return to the Disclosing Party, or destroy, all Confidential Information of the Disclosing Party provided under or in connection with this Agreement, including all copies, portions and summaries thereof.

**8. Intellectual Property Rights:-** LISP agrees that TCS Application System, deliverables and work products created or developed by TCS or its employees, representatives etc. using TCS Application System and/or Facilities under this Agreement, together with any associated copyright and other intellectual property rights, shall be the sole and exclusive property of TCS. TCS is allowed to use the name and address of the LISP which may be necessary to render the Services to its Customers.

**9. Termination:** - (9.1) Termination for convenience by TCS. TCS is entitled to terminate this Agreement by giving fifteen (15) days prior written notice to the LISP. It is acknowledged and agreed between the Parties that LISP does not have right to terminate this Agreement for convenience. In the event if LISP terminates this agreement for convenience, the same shall be construed as material breach of this Agreement and TCS shall have the right to claim appropriate damages under the Law and this contract.

(9.2) Termination for Material Breach. Either Party may terminate this Agreement immediately by a written notice to the other Party in the event of a material breach which is not cured within thirty days of the receipt of the said notice period. Failure of LISP to abide by the Service Levels and

Denial of access by LISP to TCS on the Facilities shall be termed as material breach and the Agreement shall immediately be terminated by TCS.

(9.3) Effect of termination. Either party shall return to other party any of other party's confidential and proprietary information and material in its possession. LISP agrees that in the event of expiry or termination of this Agreement for any reason, any accepted and unexecuted Work Order shall be executed by the LISP and all the obligations under such Work Order shall be performed by the LISP.

**10. Miscellaneous:** - (10.1) Independent Contractors and Assignment. LISP shall not assign or transfer this Agreement or any obligations hereunder to any third party, without the prior written consent of TCS.

(10.2) Change Request: Any changes to this Agreement shall be in the form of change order ("Change Request") as attached in Schedule 4 and shall be signed by both Parties.

(10.3) Governing Law, Dispute Resolution and Jurisdiction. This Agreement shall be governed by and interpreted in accordance with the laws of India. All disputes arising between the Parties, out of this Agreement shall be referred for arbitration to a sole Arbitrator to be mutually agreed upon and proceedings shall be governed by the Arbitration and Conciliation Act 1996. The venue and seat of arbitration shall be Mumbai. Subject to arbitration, the courts in Mumbai shall have exclusive jurisdiction.

(10.4) TCS Supplier Code of Conduct: The business engagement of TCS with the LISP is regulated by the TCS Supplier Code of Conduct. All agencies dealing with TCS like the LISP herein are also bound by the said TCS Supplier Code of Conduct. The LISP agrees to at all times abide by the said Code and shall promptly inform TCS of any breach or threatened breach of the Code by any person by informing to the Local Ethics Counselor or the Principal Ethics Counselor or the CEO of TCS. TCS, in turn, undertakes that it will maintain confidentiality of such communication received. Violations and concerns can be reported confidentially via email to corporate.ethics@tcs.com. The TCS Supplier Code of Conduct can be viewed at [HTTP://WWW.TCS.COM/SITECOLLECTIONDOCUMENTS/ABOUT%20TCS/TCS\\_SERVICE\\_PROVIDER\\_CODE\\_CONDUCT\\_07\\_2011.PDF](http://www.tcs.com/sitecollectiondocuments/about%20TCS/TCS_SERVICE_PROVIDER_CODE_CONDUCT_07_2011.PDF).

(10.5) Entire Agreement. This Agreement sets forth the entire understanding of the Parties and supersedes all prior agreements and understandings between the Parties, with respect to the subject matter hereof.

(10.6) Notice: - Any notice in connection with this Agreement shall be in writing in English and delivered by hand, facsimile, email (as specified in the Work Order) registered post or courier of international repute to the address mentioned in the introduction clause or any other address as may be informed to each other in writing by the Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives

## SCHEDULE 2

### 1. Facilities: Facilities shall be inclusive but not limited to the following listed:

#### a. General Facilities

- i. Furnished IT lab/s with furniture,
- ii. Air-conditioned server & UPS room
- iii. First Aid
- iv. Fire Extinguishers
- v. Drinking water
- vi. Cafeteria
- vii. Rest Rooms and Toilets
- viii. Housekeeping staff (including but not limited to Sweepers, Peons, Security Guards, Electricians, Lab Technicians, etc.)

#### b. Diesel Generator Facilities

- i. Dedicated Diesel Generator (DG) supply to the Facilities of a standard make which is supported by valid AMC and service certificate at all times

#### c. Assessment Support:

- i. As per TCS requirement, LISP will arrange for required assessment support by designating personnel in the role of Administrator, Invigilators, Lab technicians, Security Guards, etc. as derived and determined by TCS. TCS and/or its Authorized Personnel shall validate and pay for such invigilation /supervision service as per rates specified in point 3 (c) of Schedule 2. The LISP shall share the details of such personnel providing the invigilation/supervision service with TCS and/or its Authorized Personnel as and when required.
- ii. LISP will provide furnished IT lab with furniture, air-conditioned server room & UPS room, dedicated DG supply.

### 2. LISP Hardware:

Based on requirements of TCS, as per Work Order, including but not limited to the following as applicable:

- a. Computer Nodes (Per Node Contracted and Used Per Session)
- b. LAN Facility
- c. Surveillance Camera facility to record a session based on TCS requirement-
- d. Recording media (CD/ DVD)
- e. Webcam for registration based on TCS requirement
- f. Internet Connectivity (with at least broadband connectivity)
- g. Laser / Ink Jet Printer (Per Unit)
- h. Printer with printing paper
- i. UPS
- j. Generator back Up

### 3. Fees:

- a. TCS shall pay Fees only for LISP Hardware for nodes at Rs. 50 per node per day for the highest number of nodes used by TCS on the particular day. In case LISP centre is not available as per the requirement of TCS, TCS reserves the right to proportionately reduce the node rate basis the number of hours for which LISP has made the nodes available.
- b. During Usage Period for personnel engaged and if the cost of the same is not included as per above defined rates then LISP shall be entitled to charge TCS for actual number of personnel engaged at the following agreed rates:

Sr. No.	Personnel Description	Single Shift Price	Two Shift Price	Three Shifts Price	Four+ Shifts Price
1	Test centre Administrator	Rs.750 per shift	Rs.1125 per day	Rs.1500 per day	Rs.1650 per day
2	IT Managers	Rs.750 per shift	Rs.1125 per day	Rs.1500 per day	Rs.1650 per day
3	IT Assistants	Rs.400 per shift	Rs.600 per day	Rs.800 per day	Rs. 900 per day
4	Invigilators	Rs.500 per shift	Rs.750 per day	Rs.1000 per day	Rs. 1100 per day
5	Support	Rs.300 per shift	Rs.450 per day	Rs.600 per day	Rs. 650 per day

TCS/ its Service Provider shall pay the aforesaid charges basis actual invoice received from the LISP.

  
**PRINCIPAL**  
**Navodaya Institute of Technology (NIT)**  
**RAICHUR-584 103**

- c. Other Reimbursements : Basis of actual utilization LISP is entitled to charge TCS for reimbursements of expenses on actual spend as defined below :

#	Description	Price
1	Surveillance Camera facility to record a session	Rs.10 per node per day
2	Print Per Sheet	Rs.1 per sheet

- d. Diesel Generator Cost: LISP will charge TCS for reimbursement of diesel expenses for the DG usage at rates specified below:

Sr. No.	Description	Rate
1	Diesel Cost	Rs. 4.5 per candidate

Number of Shift	Single Shift	Double Shift	3 or More Shift
Minimum Amount	Rs. 800	Rs. 1,500	Rs. 2,200

LISP shall be eligible for payout basis actual utilization (Diesel Cost per candidate \* Number of registered candidates scheduled) or Minimum Amount whichever is higher.

On the day of the examination in case diesel generator fails and TCS is required to arrange for alternate diesel generator, LISP shall pay the actual expense incurred as follows:

- In case LISP has a valid invoice for which payment is due from TCS, LISP can raise a credit note against the valid invoice
- In case LISP does not have a valid invoice, LISP shall raise a credit note along with cheque for the actual expense.

#### 4. Miscellaneous:

- TCS will raise a Work order whenever TCS wants to use LISP hardware and LISP shall raise an undisputed invoice after the Usage Period within 60 days from the date of examination. LISP shall attach a copy of the Work Order and supporting documents along with the invoice. TCS shall verify the invoice and pay a validated invoice within thirty (30) days from the date of receipt of original hard copy of the invoice on best effort basis.
- In case TCS does not receive undisputed invoice within 60 days from the date of examination, TCS shall not be liable to make payment to the LISP.

#### SCHEDULE - 3 SERVICE LEVEL CREDITS

- LISP shall provide confirmation of center within 24 hours of receiving Work Order from TCS personnel
- LISP shall ensure that the details of personnel providing invigilation/supervision service are shared with TCS personnel 10 days prior to the period specified in Work Order
- LISP shall ensure that the invoices are dispatched immediately after completion of the project as stated in Work Order.

3. In case of any discrepancy please inform the Competent Authority.

**Department of Mechanical Engineering, Navodaya Institute of Technology, Raichur** a sister concern of Navodaya Education Trust®, Raichur Karnataka and **Tippu Road Lines, Raichur** agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. The Department of Mechanical Engineering, Navodaya Institute of Technology, Raichur and Tippu Road Lines, Raichur agreed to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/ conferences/ guest lectures/ Internships/ Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

## MEMORANDUM of UNDERSTANDING

Between Navodaya Institute of Technology, Bijinegara Road, Navodaya Nagar, Raichur, Karnataka

And

**VARSHA ASSOCIATES, #81/B1, KIADB, Kelgote Industrial Area, Chitradurga, Karnataka**

The objective of this memorandum of understanding is to bridge the gap between the industry and the institution on a continual basis by mutual cooperation through an exchange of strong points of either side. Both the parties have recognized their strengths and potentials and have arrived at the following MoU.

**NAVODAYA INSTITUTE OF TECHNOLOGY (NIT-R)**, approved by AICTE, affiliated to **Visvesvaraya Technological University (VTU)**, Belgaum having its campus at Raichur, Karnataka-584103.

**VARSHA ASSOCIATES, # 81/B1, KIADB, Kelgote Industrial Area, CHITRADURGA - 577 501, Karnataka, INDIA** and Herein after called the "Company".

Whereas the company **VARSHA ASSOCIATES** at Chitradurga, Karnataka, are pioneers in *Introducing Agri Machineries of various capacities in southern states of India. These machines carry commercial test certificates from Govt approved testing Institutes and VARSHA ASSOCIATES are the authorized licensee holders implementing IARI(Indian Agricultural Research Institute) & IIHR, Bengaluru designed, developed and patented safety gadgets for chaff cutters & also equipment's like Seed Cum Fertilizer Drill, Winnovers, Fruit cum Vegetable Grader, Horticultural Equipment's, etc*

**VARSHA ASSOCIATES** is instrumental in working on a concept of **Agripreneurs & Centre for Development of Agripreneurs (CAD)** is working to identify & train such Agripreneurs who are willing to take up farm mechanization as their core field. **VARSHA ASSOCIATES** support and nurture budding Agripreneurs which would intern benefit the farming community by means of Transfer of Technology by these professional entrepreneurs. **VARSHA ASSOCIATES** already initiated & supported few Agripreneurs in 06 states of southern India and with the help of our local offices in various states.

**VARSHA ASSOCIATES** are one of the oldest agro equipment's manufacturers and traders in India, and with a dynamic ability and state-of-art manufacturing facilities of about 5000 sq mts. **VARSHA ASSOCIATES** was established in the year 1993 and since last 2 decades serving the agriculture to greater extent with its quality products, efficiency and service. We have a fleet of vehicles for transportation of equipment's, service and also for the purpose of demonstration of these equipment's.

Whereas the college requested the company for assistance by the way of imparting practical knowledge acquired by the company officials to the students of the college, with a view to enrich the knowledge of students. NIT-Raichur will provide technical guidance in setting up the new engineering centers for service of agricultural implements and machinery.

## Preamble:

Navodaya Education Trust has been always committed and responsive towards the needs of modern education and Navodaya Institute of Technology is yet another milestone in our endeavors. Navodaya Education Trust is a premier institution established by the visionary management, with a mission to create sensitive and responsible generation of entrepreneurs, inventors and technocrats. The institute contains latest equipment & resources and is built with the purpose of teaching & research. Navodaya Institute of Technology's new campus has been established in Raichur city with world class infrastructural facilities, 30 acres of space and is an exclusive campus.

## Recognized the need:

For pooling and sharing their knowledge and skills for constant development and upgradation of technology in the field of **Mechanical Engineering**.

- For closer cooperation between the industry and relevant technical education.
- For the education and training of students, in practical environment and to enrich the teaching methodologies and to help faculty development and make the students more employment oriented.
- To encourage and facilitate Co-operation between VARSHA ASSOCIATES and NIT-R in the above aspects.

In appreciation of the above and in furtherance of the common desire for improving the quality of the graduating Mechanical Engineers and NIT-R agreed to join hands together and whereas the company requested the college for assistance by way of extending participation in lectures/ seminars etc, to the benefit of company employees and the college has come forward to provide such assistance.

Now, this Memorandum of Understanding witnesses the details and the manner of said mutual assistance.

1. The company and the college shall designate one of its officers each as a nodal officer, who will correspond/ interact on behalf of company / college, as the case may be.
2. The company and the college will regularly in touch with each other and explore setting up/ development of, related research projects in the college.
3. The assistance by the company will be way of giving apprenticeship to the students and provide the placement opportunity to deserving students.
4. The college will give lectures/ seminars/ allow participation in symposia and NIT-R will train technicians of company in mechanical department..
5. The nodal officers of the college and the company shall inform the other of following details least 15 days in advance:
6. The batch of students along with faculty sent to the plant shall be determined in consultation with the aspects of technology and advances therein of the company.
7. The lectures / plant visits will be during regular working days and also in the working hours only.

8. The college shall ensure that the visiting students and faculty adhere to the discipline, security and safety requirements of the company and the college so confirms herby.
9. The technical suggestions given by the company to the college shall form the part of academic improvement and the college so confirms hereby.
10. The company and the college desire to extend in future the scope of this Memorandum of Understanding to further areas of Co-operation.

In witness whereof the company and the college have executed this Memorandum of Understanding is made on 1<sup>st</sup> of March 2018 at NIT-R.

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named: Navodaya institute of Technology, Raichur
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and service to the society.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Cad Vision Research and Development Pvt. Ltd., Vijayanagar, Bangalore**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of *engineering*.
- F) **Cad Vision Research and Development Pvt. Ltd., Vijayanagar, Bangalore**, the Second Party is promoted by **Mallikarjun V.K.**

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:**

## **Cadvision Research and Development**

#18,22nd Main Subbanna garden road,Vijaynagr Bangalore-560040  
Contact Number: 9591687143/9739057660 -  
[www.cadvisionrnd.com](http://www.cadvisionrnd.com),email:[info@cadvisionrnd.com](mailto:info@cadvisionrnd.com)

## CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Mechanical Engineering**.
- 2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Placement of Trained Students:** Second Party shall actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and shall facilitate placements for the students.
- 2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.
- 2.10** There is no financial commitment on the part of the **NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

- 3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

- 4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Cad Vision Research and Development Pvt Ltd., Vijayanagar, Bangalore**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Cad Vision Research and Development Pvt Ltd., Vijayanagar, Bangalore**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Raichur**.

**MEMORANDUM OF UNDERSTANDING  
ON FACULTY EXCHANGE PROGRAMME**

**Between**

**Dept of Mechanical Engineering, Navodaya Institute of Technology**

**Raichur, Karnataka**

**&**

**Aurora's Scientific Technological and Research Academy,**

**Bandlaguda, Hyderabad**

Dept. of Mechanical Engineering, Navodaya Institute of Technology (NIT), a sister concern of Navodaya Educational Trust, Raichur Karnataka and Department of Mechanical Engineering, Aurora's Scientific Technological & Research Academy, Bandlaguda, Hyderabad agrees to cooperate on faculty exchange programmes based on the principle of reciprocity.

This Memorandum of Understanding (MOU) encourages the exchange of faculty, academic information and materials in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. The Dept. of Mech, NIT and Department of Mech, Aurora's Scientific Technological & Research Academy, Bandlaguda, Hyderabad agrees to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of faculty (Professors, Associate Professors, Assistant Professors, Lecturers or researchers)
  - b. Exchange of academic information and materials
  - c. Organization of joint seminars/ FDPs/ conferences/ guest lectures
  - d. Other academic exchanges agreed to by both
2. The implementation of each specific exchange based on this MOU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MOU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

### MEMORANDUM OF UNDERSTANDING ON EXCHANGE OF INFORMATION & TECHNOLOGY BETWEEN

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING (ECE)  
NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR  
&

E-LOGIC EMBEDDED SYSTEMS, KALABURAGI

#### Statutory Alert:

1. The authenticity of this Stamp Certificate should be verified at "www.shcllestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

Dept. of Electronics & Communication Engineering, Navodaya Institute of Technology, Raichur a sister concern of Navodaya Education Trust®, Raichur Karnataka and E-Logic Embedded Systems, Kalaburagi agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. The Dept. of Electronics & Communication Engineering, Navodaya Institute of Technology, Raichur and E-Logic Embedded Systems, Kalaburagi agreed to promote the following exchange activities based on their academic and educational needs:
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/ conferences/ guest lectures/ Internships/ Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

# MEMORANDUM OF UNDERSTANDING

**Between Department of Electronics and Communication Engineering of Navodaya Institute of Technology, Raichur**

**And**

**Raichur Chemicals and Fertilizer (India) Pvt Ltd, KIADB Growth Centre, Hyderabad Road, Raichur**

The objective of this memorandum of understanding is to bridge the gap between the industry and the institution on a continual basis by mutual cooperation through an exchange of strong points of either side. Both the parties have recognized their strengths and potentials and have arrived at the following MoU.

**NAVODAYA INSTITUTE OF TECHNOLOGY**, approved by AICTE, affiliated to **Visvesvaraya Technological University (VTU)**, Belgavi having its campus at Bijjangera Road Raichur, Karnataka-584103.

**Raichur Chemicals and Fertilizer (India) Pvt Ltd**, is established in KIADB Growth Centre, Hyderabad Road, Raichur under Large Scale Industries Act, India. This company offers agronomy services to the farmers with the objective to increase farmer profitability. This Industry is established in various places also as Samyukta Agritech Pvt Ltd KIADB Industrial Area, Rayapur Dharwad and Samyukta Agritech Pvt Ltd KIADB Gamanagatti Industrial Area, Dharwad, Karnataka. These industries offer agronomy services to the farmers with the objective to increase farmer profitability and also manufacture and market crop protection products including insecticides, fungicides, herbicides and plant growth regulators.

## **Preamble:**

Navodaya Education Trust has been always committed and responsive towards the needs of modern education and Navodaya Institute of Technology is yet another milestone in our endeavours. Navodaya Education Trust is a premier institution established by the visionary management, with a mission to create a sensitive and responsible generation of entrepreneurs, inventors and technocrats. The institute contains latest equipment & resources and is built with the purpose of teaching & research. Navodaya Institute of Technology's new campus has been established in Raichur city with world class infrastructural facilities, 30 acres of space and is an exclusive campus.

## **Recognized the need:**

For pooling and sharing their knowledge and skills for constant development and up gradation of technology in the field of **Electronics and Communication Engineering**.

- For closed co operation between the industry and relevant technical education.
- For the education and training of students, in practical environment and to enrich the teaching methodologies and to help faculty development and make the students more employment oriented.
- For curriculum development and up-gradation of laboratory equipment.
- To encourage and facilitate Co-operation between RCF and NIT-R in the above aspects.

In appreciation of the above and in furtherance of the common desire for improving the quality of the graduating mechanical engineers, and NIT-R agreed to join hands together and whereas the company requested the college for assistance by way of extending participation in lectures/ seminars etc, to the benefit of company employees and the college has come forward to provide such assistance.

Now, this Memorandum of Understanding witnesses the details and the manner of said mutual assistance.

1. The company and the college shall designate one of its officers each as a nodal officer, who will correspond/ interact on behalf of company / college, as the case may be.
2. The company and the college will regularly in touch with each other and explore setting up/ development of related research projects in the college.
3. The company and college consented to give access to each other to the research data, methods, reports etc., and share information in their possession (except those that are confidential in nature) in furtherance of knowledge.
4. The assistance by the company will be way of i. lecturer's ii. Plant visit by students and faculty iii. Practical training to students iv. Faculty training. As is feasible to the company.
5. Practical training will be limited to 60 students per year, for a period not exceeding 1 month in the company.
6. The college will give lectures/ seminars/ allow participation in symposia etc.,
7. The nodal officers of the college and the company shall inform the other of following details least 15 days in advance:
8. The batch of students along with faculty sent to the plant shall be determined in consultation with the aspects of technology and advances therein of the company.
9. The lectures / plant visits will be during regular working days and also in the working hours only.
10. To and Fro transport arrangements shall be made by the college in respect of its students and faculty members that may accompany them. Similarly, in respect to company employee, to and from transport arrangements shall be made by the company.
11. The college shall ensure that the visiting students and faculty adhere to the discipline, security and safety requirements of the company and the college so confirms hereby.
12. The assistance given by the company to the college shall form part of academic requirement and the college so confirms hereby.
13. The company and the college desire to extend to extend in future. The scope of this Memorandum of Understanding to further areas of Co-operation.

In witness whereof the company and the college have executed this Memorandum of Understanding is made on 30<sup>th</sup> day of January 2019 at NIT-R.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered in to on this 10<sup>th</sup> DAY OF FEBRUARY Two Thousand and twenty (10/02/2020), by and between

**Principal, Navodaya institute of Technology, Raichur** (herein after referred as 'First Party'),

AND

**Tech Fortune Technologies, Vijayanagar, Bangalore** (herein after referred to as "Second Party",

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

### WHEREAS:

- A) First Party is a Higher Educational Institution named:  
Navodaya institute of Technology, Raichur
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and service to the society.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of *engineering*.
- F) **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party is promoted by **Mallikarjun V.K.**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Page 2 of 5

**TECH FORTUNE TECHNOLOGIES**

#18 22ND MAIN SUBANNA GARDEN, VIJAYANAGAR, BANGALORE - 560040

## CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

**2.2 Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**2.3 Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Electronics and Communication Engineering**.

**2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

**2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

**2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

**2.8 Placement of Trained Students:** Second Party shall actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and shall facilitate placements for the students.

**2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

**2.10** There is no financial commitment on the part of the **NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

**3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

**4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

**4.2** Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

Page 4 of 5

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Raichur**.

## MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (MOU) made and executed on Twenty Seventh day of September month, Two Thousand and sixteen year between:

**FOURTH PARTNER ENERGY PVT. LTD**, a company registered under the companies Act 1956 and having its Registered Office at Hyderabad and represented by **Project Manager** hereinafter referred to as FPE, which term shall mean and include, unless repugnant to the context and meaning thereof, its successors, Legal Representatives and Assigns, of the FIRST PART;

AND

**NAVODAYA INSTITUTE OF TECHNOLOGY** Approved by AICTE, Affiliated to Visvesvaraya Technological University (VTU), Belgaum having its campus at Raichur, Karnataka - 584103 (Organized by EEE Department) and represented by **Head of EEE Department** hereinafter referred to as NETS NIT- R as SECOND PART;

WHEREAS, FPE is a registered company involved in O&M Contract for Solar, Consultancy and Execution of Solar Plant in Power Sector and Vocational training in Renewable energy system/students projects guidance.

WHEREAS, NETS NIT- R is in the field of education, imparting knowledge to students aspiring to be Engineers and Technologists.

AND WHEREAS, both FPE and NETS NIT- R have agreed to form a 'STRATEGIC ALLIANCE' for providing industrial inputs to the Engineering students for mutual benefit.

AND WHEREAS on the faith and strength of such representation and warranty, both FPE and NETS NIT- R have agreed to enter into this Memorandum of Understanding as per the mutually agreed clauses as mentioned below:

### 1. Provision of Supplies and Services:

NETS NIT- R shall provide FPE the facilities and qualified personnel to impart training as mutually agreed to and each personnel to the best of his/her ability during the term of the contract; Likewise, FPE shall make available their facilities for special projects and also for Training of NETS NIT- R personnel. In addition FPE shall depute their experts for necessary Training at NETS NIT- R and depending upon nature and degree/level of specialization, FPE shall train faculty and students of NETS NIT- R on selected topics. All decisions under this clause will be taken between the parties hereto only after prior consultations. Training will be conducted at mutually convenient dates.

NETS NIT- R shall provide infrastructure as required by the company for conducting training, lectures etc. And allot faculty members of the institute to undertake faculty level R&D work proposed by FPE, with due compensation.

FPE shall impart training on core areas such as Renewable energy systems Design and optimization.

FPE shall deliver special lectures on advanced topics.

2. Fees:

For supplies and services availed by either party to this MOU from the other contracting party, there shall be billing by the service provider in the form of purchase order which shall contain necessary details like nature and quantum of service rendered. In the case of training of personnel of FPE background and number of such personnel, duration of training and fees are to be mutually decided between the parties in each case, well in advance.

3. Non-Exclusive Relationship:

This agreement is non-exclusive in nature and both FPE and NETS NIT- R shall retain their right to perform their obligations with any other party during the term of this MOU.

4. Independent Contractors:

FPE and NETS NIT- R hereby agree that each is an independent contractor and this MOU does not mean that one is an agent of the other or of each other, and neither party shall be entitled to bind, by its acts, omissions or otherwise, the other party.

5. Assignment:

No party of this MOU or of any obligations created herein may be assigned or transferred by anyone of the parties whether by operation of law or otherwise, to any other person without the prior written permission of the other. Any such assignment or transfer shall be void and without force and effect and would not be binding and other.

6. Entire Agreement:

This instrument sets forth the entire agreement between the parties hereto and either party shall deem all other representation, irrelevant and unforceable.

7. Term of MOU and Notice of Termination:

This MOU is open ended in nature; but can be terminated with a month's notice on either side given to the other party in writing at their addresses mentioned at the top/ any other address to be notified in future.

8. Authorized Representatives:

Both parties hereto declare that their duly authorized respective representatives shall execute this agreement.

IN WITNESS WHEREOF the parties hereto have affixed their respective hands to this agreement on the day, month and year above written.

**MEMORANDUM of UNDERSTANDING**

Between department of Electrical and Electronics Engineering of Navodaya Institute of Technology,

Raichur -584103.

And

**Pantech Prolabs India Pvt.Ltd., Hyderabad – 500016**

**Statutory Alert:**

1. The authenticity of this Stamp Certificate should be verified at "www.shcltestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.

The objective of this memorandum of understanding is to bridge the gap between the industry and institution on a continual basis by mutual cooperation through an exchange of strong points of either side. Both the parties have recognized their strengths and potentials and have arrived at the following MoU.

**NAVODAYA INSTITUTE OF TECHNOLOGY (NIT-R)**, approved by AICTE, affiliated to **Visvesvaraya Technological University (VTU)**, Belgaum having its campus at Raichur, Karnataka - 584103.

**PANTECH PROLABS INDIA PVT.LTD., HYDERABAD - 500016** and Herein after called the "Company".

**Pantech Prolabs India Pvt., Ltd.** is best known for manufacturing and marketing of high-quality, state-of-the-art Engineering Lab Equipment's and Electronic Hobby Kits. Its products are delivered across the globe and many satisfied customers are the best guarantee of its first-rate service. Many of our products are also extensively used by Hobbyists, Electronics, Electrical, Instrumentation, Communication and Bio Medical engineers.

Whereas the college requested the company for assistance by the way of imparting practical knowledge acquired by the company officials to the students of the college, with a view to enrich the knowledge of students, and the company has come forward to give apprenticeship to the students for six months.

#### **Preamble:**

Navodaya Education Trust has been always committed and responsive towards the needs of modern education and Navodaya Institute of Technology is yet another milestone in our endeavors. Navodaya Education Trust is a premier institution established by the visionary management, with a mission to create sensitive and responsible generation of entrepreneurs, inventors and technocrats. The institute contains latest equipment & resources and is built with the purpose of teaching & research. Navodaya Institute of Technology's new campus has been established in Raichur city with world class infrastructural facilities, 30 acres of space and is an exclusive campus.

#### *Recognized the need:*

For pooling and sharing their knowledge and skills for constant development and up graduation of technology in the field of **Electrical and Electronics Engineering**.

- For closed cooperation between the industry and relevant technical education.
- For the education and training of students, in practical environment and to enrich the teaching methodologies and to help faculty development and make the students more employment oriented.
- To encourage and facilitate Co-operation between **PANTECH PROLABS INDIA PVT.LTD.,** and **NIT-R** in the above aspects.

Appreciation of the above and in furtherance of the common desire for improving the quality of the graduating Electrical and Electronics Engineers and NIT-R agreed to join hands together and whereas the company requested the college for assistance by way of extending participation in lectures/ seminars etc., to the benefit of company employees and the college has come forward to provide such assistance.

Now, this Memorandum of Understanding witnesses the details and the manner of said mutual assistance.

1. The company and the college will regularly in touch with each other and explore setting up/ development of, related research projects in the college.
2. The assistance by the company will be way of giving internship to the students.
3. Practical training will be max of 60 students per year, for a period not exceeding 6 month in the company.
4. The batch of students along with faculty sent to the plant shall be determined in consultation with the aspects of technology and advances therein of the company.
5. The lectures / plant visits will be during regular working days and also in the working hours only.
6. The college shall ensure that the visiting students and faculty adhere to the discipline, security and safety requirements of the company and the college so confirms hereby.
7. The assistance given by the company to the college shall form part of academic requirement and the college so confirms hereby.
8. The company and the college desire to extend in future. The scope of this Memorandum of Understanding to further areas of Co-operation.

In witness whereof the company and the college have executed this Memorandum of Understanding is made on 11<sup>th</sup> day of November 2019 at NIT-R.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered in to on this 10<sup>th</sup> DAY OF FEBRUARY Two Thousand and twenty (10/02/2020), by and between

**Principal, Navodaya institute of Technology, Raichur** (herein after referred as 'First Party'),

AND

**Tech Fortune Technologies, Vijayanagar, Bangalore** (herein after referred to as "Second Party",

(First Party and Second Party are herein after jointly referred to as 'Parties' and individually as 'Party') as

### WHEREAS:

- A) First Party is a Higher Educational Institution named:  
Navodaya institute of Technology, Raichur
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and service to the society.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of *engineering*.
- F) **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party is promoted by **Mallikarjun V.K.**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

## **CLAUSE 1 CO-OPERATION**

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## **CLAUSE 2 SCOPE OF THE MoU**

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

**2.2 Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**2.3 Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Electrical and Electronics Engineering**.

**2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

**2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

**2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

**2.8 Placement of Trained Students:** Second Party shall actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and shall facilitate placements for the students.

**2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

**2.10** There is no financial commitment on the part of the **NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

**3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

**4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Tech Fortune Technologies, Vijayanagar, Bangalore**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

**4.2** Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Raichur**.

**MEMORANDUM OF UNDERSTANDING  
ON EXCHANGE OF INFORMATION & TECHNOLOGY  
BETWEEN**

**DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING  
NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR, KARNATAKA.**

&  
..... GALAXY COTTONS, RAICHUR .....  
..... KARNATAKA .....

Dept. of Electrical and Electronics Engineering, Navodaya Institute of Technology,  
Raichur of Navodaya Education Trust®, Raichur Karnataka and

..... Galaxy Cottons, Raichur, Karnataka .....

agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

1. The Dept. of Electrical and Electronics Engineering, Navodaya Institute of Technology and

..... Galaxy Cottons, Raichur .....  
..... Karnataka .....

agreed to promote the following exchange activities based on their academic and educational needs:

- a. Exchange of technology and academic information.
- b. Organization of joint seminars/FDPs/ conferences/ guest lectures/Internships/Projects.

2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 23<sup>rd</sup> of June Two Thousand and Twenty (23/06/2020), by and between

Navodaya Institute of Technology, Raichur, the First Party represented herein by Department of CSE ( hereinafter referred as 'First Party', the Navodaya Institute of Technology which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Digital Gannet, the Second Party, and represented herein by its Managing Director, Pavan Kumar Reddy Sannala, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

### WHEREAS:

- A) First Party is a Higher Educational Navodaya Institute of Technology named:
  - (i) NAVODYA INSTITUTE OF TECHNOLOGY
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) Digital Gannet, the Second Party is engaged in Business, Training, Skill Development, Education and Digital Marketing Services in the fields of – **Digital Marketing training and services under the industry concerned** - - and related fields
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

## **CLAUSE 1 CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Navodaya Institute of Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## **CLAUSE 2 SCOPE OF THE MoU**

- 2.1 The budding graduates from the Navodaya Institute of Technology could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Navodaya Institute of Technology interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields **Internship Programs, Project based training and workshops.**
- 2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 10% of the students.
- 2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein 2.10  
The First Party to take up any programme mentioned in the MoU, and the financial consideration will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

- 3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

- 4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Digital Gannet**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Digital Gannt**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2** Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

**First Party**

**Second Party**

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Bangalore.

**MEMORANDIUM OF UNDERSTANDING (MOU)  
BETWEEN  
NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR  
AND  
GOVERNMENT FIRST GRADE COLLEGE, RAICHUR**

This MOU is entered into on the 04-03-2020 by and between Navodaya Institute of Technology, Raichur (hereinafter called NIT-R) situated at Raichur (Karnataka), and Government First Grade College, Raichur (hereinafter called GFGC-R), an UG/PG degree college affiliated to Gulbarga University, Raichur.

The aforesaid Institutions are hereinafter referred to individually as institute and collectively as institutes.

**1. Objectives of the MOU**

The objectives of the MOU are:

- To promote and enhance academic interest between NIT-R & GFGC-R.
- To provide advice for implementation of quality of education at GFGC-R.
- To promote research / continuing education activities between intuitions.

**2. Technical Areas of Collaboration**

- A continuing quality improvement program to improve quality of teaching staff at GFGC-R through short-term/ long-term certificate courses at NIT-R. Faculty of NIT-R could also be sent for GFGC-R for possible Guidance.
- Provide academic interaction by delivering special lecture at GFGC-R on topics of relevance to modern industry.
- Provide possible help in organizing workshops/conferences and personality development programs at NIT-R for enhancement of skills in respect of faculty, staff and students of GFGC-R.
- Provide possible support for establishment of video satellite link and assistance in development of E-class rooms, lab, curriculum, establishment of research labs, training and placement and library etc. at GFGC-R.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this 6<sup>th</sup> DAY OF JANUARY Two Thousand and twenty (06/01/2020), by and between

Principal, Navodaya Institute of Technology, Raichur (hereinafter referred as 'First Party'),

AND

**TECH FORTUNE, Vijayanagar, Bangalore** (hereinafter referred to as "Second Party". (First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

### WHEREAS:

- A) First Party is a Higher Educational Institution named: Navodaya Institute of Technology, Raichur
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research and service to the society.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **TECH FORTUNE, Vijayanagar, Bangalore**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of *engineering*.
- F) **TECH FORTUNE, Vijayanagar, Bangalore**, the Second Party is promoted by Mallikarjun Kulkarni.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

**TECH FORTUNE TECHNOLOGIES**

#18 22ND MAIN SUBANNA GARDEN, VIJAYANAGAR, BANGALORE - 560040

Ph: +91 9591 68 7143/8317 35 5535 - [www.tech-fortune.com](http://www.tech-fortune.com) | email: [info@tech-fortune.com](mailto:info@tech-fortune.com)

## **CLAUSE 1 CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## **CLAUSE 2 SCOPE OF THE MoU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.\*

- 2.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Computer science Engineering**.
- 2.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.7 Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Placement of Trained Students:** Second Party shall actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and shall facilitate placements for the students.
- 2.9** Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.
- 2.10** There is no financial commitment on the part of the **Navodaya Institute of Technology, Raichur**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

- 3.1** Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

- 4.1** This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **TECH FORTUNE, Vijayanagar, Bangalore**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **TECH FORTUNE, Vijayanagar, Bangalore**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2** Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Raichur**.

**DEPT. OF COMPUTER SCIENCE ENGINEERING NAVODAYA INSTITUTE OF TECHNOLOGY, RAICHUR** a sister concern of Navodaya Education Trust @, Raichur Karnataka and **SMART BRIDGE EDUCATIONAL SERVICES PVT. LTD** agreed to cooperate for exchange of information and technology based on the principle of reciprocity. This Memorandum of Understanding (MoU) encourages the exchange of academic information and technology in the belief that the research and educational processes will be enhanced and that mutual understanding between their respective faculty and scholars will be increased by the establishment of such exchanges.

  
10/7/18

  
10/7/18

1. The Dept. of Computer Science Engineering, Navodaya Institute of Technology, Raichur and Smart Bridge Educational Services Pvt. Ltd agreed to promote the following exchange activities based on their academic and educational needs;
  - a. Exchange of technology and academic information.
  - b. Organization of joint seminars/FDPs/Conferences/guest lectures/Internships/Projects.
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both. Efforts shall be made by both sides to find financial sources for carrying out the exchange programmes.
3. Nothing shall diminish the full autonomy of either side, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the MoU.
4. This agreement shall take effect from the date of the latest signature below and will be valid for a period of three years. Thereafter, it can be renewed for subsequent three-year periods with mutual consent. It is understood that either side may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any inconvenience to either party. Should any revision or modification become necessary, a written amendment signed by both parties will be required.

#### TERMINATION & CONSEQUENCES:

1. This agreement can be terminated by either party on fulfillment of their obligations committed to the participants.
2. Both the parties hereby agree to strictly abide by the rules and regulations pertaining to this activity.
